GIVE BACK

Novi Oaks Charter Chapter has provided scholarships for women every year since its founding in 1990. In 2022, we offered two \$2,000 Impact Scholarships through the Stephen Bufton Memorial Educational Fund and have awarded the \$1,000 Bettie Archer Johnson Scholarship at Madonna University, in memory of our chapter's founder.

On October 1, 2022, we will hold our 17th Annual **Autumn Brunch With Auction**, which is our one major fundraiser for our scholarships. Chapter members may also receive funds to attend national conferences.

We help local community groups, such as Detroit Public TV and Gleaners Food Bank.

PREMIER NATIONAL NETWORK

The Novi Oaks Charter Chapter is part of the national American Business Women's Association (ABWA).

The National Women's Leadership Conference (NWLC) in the fall offers opportunities to network with women from across the country, attend seminars on critical issues women and businesses face, and enjoy excellent keynote speakers and entertainment.

In fulfillment of our mission to educate and empower women, Novi Oaks helps cover its members' conference registration!
