Your personality is a gift that allows you to enjoy life in ways that are unique to you. A greater understanding of who you are may give you the confidence to explore your personal finances at a much deeper level than you ever dared before.

By taking a personality test & learning your four-letter code, you are creating a personal awareness of who you are & how you best give & receive information. This data is then correlated to how you can efficiently manage your finances, according to your own personal strengths & preferences.

You will need to take the free personality test prior to attending the class. The free test is available at <https://www.16personalities.com/free-personality-test>. Please come to the workshop with your four-letter code.
