President's Message

On Saturday, September 21st, we held our 15th Annual Autumn Brunch With Auction at the Sheraton Four Points Hotel. The day was a resounding success!

Sixteen tables for ten were hosted by our members and friends, including Gwen Guy, who is a member of the Lake Shore Charter Chapter in Southfield and the Maia Chapter in Ann Arbor. All of the tables were beautiful, but one standout was Sandra Horne, our former member who will be joining again soon. Saturday was her 50th birthday, and the guests at her table all dressed in long black gowns for her British "Night of the Proms" table (when they go to see the orchestra).

We had 218 items up for auction for just under 150 attendees, including ABWA members, family, and friends, who helped us

raise just over \$10,000 gross. The final report will be available soon.

ABWA members from all over the U.S. will gather at the Harrah's Hotel and Casino in Kansas City, Missouri, on October 2 - 5 for the ABWA National Women's Leadership Conference. Novi Oaks members Sheri Mayer, Krista Spencer, Chris Struwe, and I will walk across the big stage to accept our chapter's Level III Best Practices award.

While in Kansas City, we will also hear Sam Glenn as a keynote speaker, attend training sessions for three days, learn who will be on our new National Board of Directors, and celebrate ABWA's 70 years.

The October 9th meeting will feature guest speaker Vickie Gould presenting, "Saying Yes to You and Leaving the Guilt Behind." We hope you will join us.

ABWA's 70th Anniversary – September 22, 2019

September 22, 2019, marked the 70th Anniversary of the founding of ABWA by Shirley Cupp, Irma Beisel, Frances Stuckey, and Mr. Hilary Bufton Jr., in Kansas City, Missouri.

Following World War II, this small group realized that American women lacked basic business skills to succeed in the business world, and decided to take action. The rest is history.

After 70 years, the American Business Women's Association is still in the forefront of women's organizations in the United States. Members may take advantage of online training in the Apex Campus, and in-person training at monthly chapter meetings and annual regional and national conferences.

Here's to ABWA's next 70 years of providing opportunities for women!

The mission of the American Business Women's Association is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

Bring in your Women In Business magazines!

If you do not keep your W.I.B. magazines, don't throw them out! We could use them to give to our guests. Please give them to our Membership Chair, Chris Struwe.

Novi Oaks' 15th Annual Autumn Brunch With Auction!

Saturday, September 21, 2019, was a great day for raising funds for the Novi Oaks Charter Chapter's scholarship and education fund. Over 140 members and guests gathered to have fun bidding on the 199 silent auction items and 19 live auction items.

Miss Wayne County, Emma Seidel, joined us and addressed the group. She will compete in the Miss Michigan pageant in June of 2020, and if chosen, will compete in the Miss America pageant. Pictures were provided by her photographer, Bill Lee, member Julie Chapman, and our guest, Shirley New.

Member Karen Wernette Kolc volunteered to serve as our auctioneer on the 19 live auction items and did a fabulous job. We send our prayers and wishes for a quick recovery to our auctioneer, Coy Dockery, who is still healing from a stroke he suffered in 2018.

A final report of the auction will be published. Enjoy the pictures here from that awesome day!

Our table hostesses, District V VP Marilyn Lash, and Miss Wayne County Emma Seidel. Lauren Hengstebeck also helped host a table, and is shown above right with Miss Wayne County.

Eastern Michigan Council – the next level of ABWA

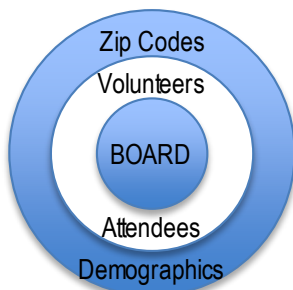

Members from eight Michigan chapters and one Indiana chapter attended the September 14th meeting of the Eastern Michigan Council (EMC) at the Holiday Inn on Plymouth Road just west of M-23 in Ann Arbor.

Guest speaker Gary Dembs of the Non-Profit Personnel Network presented, "How to stop funding your fundraisers." Gary is an expert on large-scale fundraising in the Detroit area (think the Ilitches) and a member of the Association of Fundraising Professionals and the Greater Detroit PR Network. He gave the definition of philanthropy as the "love of humankind."

For fundraisers, he advised asking how much you need, then shooting higher. On donations in general, 90% come from individuals, and corporations and foundations contribute 5% each. Donations can come in the form of time, talent, treasure (\$), or in-kind contributions – such as the items we receive for our auction.

In general, corporations are moving away from events such as golf outings, and matching contributions. Gary recommends establishing relationships with business owners over time, and asking donors for a 3-year commitment for support. He highly recommended being transparent about how the money would be spent.

Gary recommended working with the people closest to you and cultivating existing donors to a higher level of giving. He drew the following diagram:

The election of officers was held, and the 2020 board will be Gail Frahm, Chair, Kelle Hruska, Vice Chair, Heather Naugler, Communications Officer, and Gwendolyn Guv, Financial Officer. The new board takes office on January 1.

Secret to Success: *Finding Your Joy*

Have you ever looked at a photo and thought, "Of course she's smiling, she has a perfect life"? It's natural to associate joy with the absence of problems. It's expected that we will feel happy when all is right with the world... when our loved ones are doing well, we have found success, or our skinny jeans fit just right: YAY! But what about when life isn't perfect... when winter seems to last forever, construction brings traffic to a screeching halt, or the checkout lines go to the back of the store two weeks before the holidays? Where is happiness then?

Is it possible to find joy in the unexpected, when the circumstances pretty much stink? In this presentation, learn the difference between happiness and joy and allow your new-found knowledge to change the way you do life.
