These Shoes are Made for Talking

by Mary Cordle, Real Estate Agent

***Every step has a story, and every
story has something to teach.***

“These Shoes Are Made for Talking is a fun, inspiring, and engaging presentation that uses a collection of shoes to tell meaningful life stories. Each pair represents a different journey, experience, challenge, or triumph offering valuable lessons and practical wisdom along the way. Through humor, personal reflection, and heartfelt storytelling, attendees will discover how life's paths—much like the shoes we wear—shape who we become. Join us for an uplifting program that reminds us that every step has a story and every story has something to teach.
