# How to Give Without Burning Out: Lifelong Love

By Veteran Shelly Rood

***The skill of "fire hydrant giving" enables us to:***

***1) focus how we serve others, 2) make a bigger impact, and 3) live with intent.***

Creator of the Others Over Self® leadership mindset, Chaplain Shelly Rood is shattering stereotypes as the leading speaker/presenter in Metro Detroit. Known as "Miss Ambitious", she has been featured as a Keynote Speaker for groups like the American Legion, Women in Defense, The Girl Scouts and more.

Are you tired of workplace drudgery? Do you find yourself slowly developing a depressing sense that the pursuit of happiness, goals and values is pointless? Shelly's team is living proof that there's another path to follow.

Co-Founder of Mission Ambition, LLC, Shelly is dedicated to coaching others through the eight dimensions of wellness with proven training and accountability. Her 16 years of military service lend just the right blend of humor and entertainment to a meaningful presentation you don't want to miss. See her in action at <https://www.missionambition.org> and live on November 13th.
